

Handles Concept

Handles replace the standard slotted insert on all Concept wall-mount enclosures.

FEATURES

A zinc die-cast key lock handle (CWHK) is available for applications requiring quick access and security

A padlocking handle (CWHPTO), also zinc die-cast, accommodates a padlock with up to a 5/16-in. locking bar

Each latch system can be converted from clockwise to counter-clockwise opening

Kit includes handle, sealing washer, wave washer, instruction manual and keys if handle is lockable

SPECIFICATIONS
