

# Varistar CP Deco Frame

The deco frame is a perfect fit for the Varistar CP without a front door. It conceals any cabling on the sides of the cabinet, streamlining cable routing and equipment mounting for a more efficient installation process and simultaneously improving the cabinet's appearance.

## FEATURES

Conceals cabling beside the 19" panel mount, streamlining cable routing and equipment mounting for a more efficient installation process

Provides easier access to the cabinet's internal components with hinged or removable panels, simplifying maintenance or repairs

Imparts improved functionality, appearance, and durability for Varistar CP cabinets without a door

Can be assembled at front and/or rear
