Varistar CP Deco Frame

The deco frame is a perfect fit for the Varistar CP without a front door. It conceals any cabling on the sides of the cabinet, streamlining cable routing and equipment mounting for a more efficient installation process and simultaneously improving the cabinet's appearance.

FEATURES

- Conceals cabling beside the 19” panel mount, streamlining cable routing and equipment mounting for a more efficient installation process
- Provides easier access to the cabinet's internal components with hinged or removable panels, simplifying maintenance or repairs
- Imparts improved functionality, appearance, and durability for Varistar CP cabinets without a door
- Can be assembled at front and/or rear

SPECIFICATIONS

Static Load: 400kgf

Product Type: Cabinet/Rack Frame

Material: Steel

ADDITIONAL PRODUCT DETAILS

The deco frame provides easier access to the cabinet's internal components with hinged or removable panels, simplifying maintenance or repairs. It's an essential addition to any electronics cabinet without a front door, particularly for Automated Test Equipment, providing improved functionality, appearance, and durability.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
