

Consolet Panels

These interior mounting panels are designed for use inside our mild steel and stainless steel Consolet enclosures. Manufactured from durable 14-gauge mild steel, each panel provides a strong and reliable mounting surface for internal components.

FEATURES

Ideal for both new builds and retrofits, these panels ensure a precise fit and long-lasting performance in demanding industrial environments

Panels include mounting screws specifically designed to align with the factory-installed weld nuts in consolet enclosures

Enables fast, secure, and hassle-free installation, reducing assembly time

SPECIFICATIONS

Material: Mild Steel
Finish: Powder Coated
Color: White
