

512 nVent CADDY EZ Riser for Close Quarters, 4" Pipe, 4.5" OD

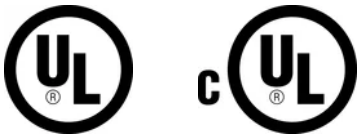

CATALOG NUMBER

5120400EG

The 512 nVent CADDY EZ Riser for Close Quarters is a quick-closing pipe clamp, ideal for vertical pipe in tight spaces. This innovative solution is designed for situations where a full-sized clamp would not fit—typically, when a pipe is close to the corner of a room. Ready-to-use out of the box, this solution has slotted holes to simplify assembly and eliminate loose hardware. Due to the serrated washer-head design, installers can easily assemble the EZ Riser for Close Quarters with just a single tool.
