

Cable Runway Center Support Kit

Data Solutions

The Cable Runway Center Support Kit is a threaded rod and bracket that supports the center of ladder rack from a ceiling. The kit includes a heavy-duty ladder rack cross member, two mounting brackets, two #12-24 screws, a 5/8-inch threaded rod, a protected sleeve and four 5/8-inch nuts. Supports should be used at least every 5 feet (1.5 m).
