

# Varistar CP Deco Frame

The deco frame is a perfect fit for the Varistar CP without a front door. It conceals any cabling on the sides of the cabinet, streamlining cable routing and equipment mounting for a more efficient installation process and simultaneously improving the cabinet's appearance.

## FEATURES

Conceals cabling beside the 19" panel mount, streamlining cable routing and equipment mounting for a more efficient installation process

Provides easier access to the cabinet's internal components with hinged or removable panels, simplifying maintenance or repairs

Imparts improved functionality, appearance, and durability for Varistar CP cabinets without a door

Can be assembled at front and/or rear

## SPECIFICATIONS

**Product Type:** Cabinet/Rack Frame

**Material:** Steel

Table 1/2

Catalog Number	Rack Height	Design Feature	Package Quantity	Color	Color Code	Finish

## ADDITIONAL PRODUCT DETAILS

The deco frame provides easier access to the cabinet's internal components with hinged or removable panels, simplifying maintenance or repairs. It's an essential addition to any electronics cabinet without a front door, particularly for Automated Test Equipment, providing improved functionality, appearance, and durability.

## WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at [www.nvent.com](http://www.nvent.com) and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
