

# nVent CADDY EZ Riser, 5" Pipe

## NUMĂR DE CATALOG

### EZR0500

The nVent CADDY EZ Riser is a multi-purpose clamp designed to secure and support vertical pipe runs. This unified solution can be installed in several approved orientations and serves as a standard, standoff, or close-quarters riser—effectively functioning as three clamps in one. Ready-to-use out of the box, the nVent CADDY EZ Riser features pre-drilled threaded rod holes for standoff installations and score marks for simple ear removal in spaces where full-sized riser clamps do not fit.

Contractors can enjoy simplified material handling with a multi-functional clamp that allows for various orientations and retains listing even when ears are removed.

## CERTIFICATIONS

## CARACTERISTICI

Only one tool needed to tighten due to serrated wash-heads

Installs up to 60% faster than standard riser clamps

Integrated second set of bolt holes allow the assembly to adapt from a riser clamp into a stand-off support easily

No need to stock and use separate part families for standard and close-quarter clamps to offer a full range of listed parts

Conforms with Federal Specification WW-H-171 (Type 8), Manufacturers Standardization Society (MSS) SP-58 (Type 8)

## ATRIBUTE PRODUS

Article Number: 179235

Material: Oțel

Finish: Electrogalvanized

Pipe Size: 5"

Outer Diameter (OD): 141.3 mm

Hole Size (HS): 13.2 mm

A: 368.3 mm

B: 298.5 mm

C: 38.1 mm

Static Load: 5200N

## DETALII SUPLIMENTARE DESPRE PRODUS

Clamp is fitted for steel pipe and should be installed below a coupling or shear lug, with bolts torqued to recommended value.

Use of a socket or driver is recommended for installation.
