

P14 Position Coupler, Plain, European Design, 18 mm

KATALOGNUMMER

EL18P14EE

The European Design Version (Suffix EE) is currently being phased out. All future projects should be designed with the Worldwide Design Version (Suffixes N and LN). This change is being done in order to simplify our product offering and eliminate redundant designs. Please contact Customer Care or your local Sales Engineer/Manager if you require more information on this transition.

DESIGN

Designed to splice the same diameter bars
