

Flexible Hoses for Varistar LHX+ 45 / RackChiller In-Row 45, QD-BSP, 4

Data Solutions

???

24630-174

The flexible hoses package for Varistar LHX+45 In-Rack or RackChiller In-Row 45 connects the cooling device to facility water system. The high quality EPDM hoses perform with excellent chemical stability with typical water and glycol based cooling media. The steel reinforcement provides extended pressure capability with rated nominal pressure 5 bar and minimum burst pressure 20 bar, while the external layer protects the hoses from mechanical stress and damages.
